

RENEGADE AGITATION TRAILER

13 SQ. FT. OF BUILT-IN STORAGE for convenient parts and tool storage.

150-GALLON STEEL FUEL TANK provides 16+ hours of run time.

PULL BEHIND A TRUCK AT HIGHWAY SPEED.

173 HP ENGINE

LED FLOOD LIGHTING throughout the design, including optional six-light halo.

LOADSTAND UPGRADE OPTION

- 15' 6" max. fill height
- 15' max. reach
- 8" suction hose
- 10" steel tube
- 180° rotation

ACTIVATE THE LOADSTAND WITH THE CLICK OF A BUTTON
The loadstand option is compatible with the boom remote control upgrade.

29' TRIPLE SECTION BOOM for great maneuverability and quick set-up in tight locations. Two, 8" pump-out locations allow for deep pit agitation and liquid transfer.

REAR HYDRAULIC HOSE REEL can hold up to 100' of 8" hose.

REMOTELY SWITCH FROM AGITATE TO FILL MODE IN 5-6 SECONDS.

Enjoy **unlimited** tank fill and agitate remote control fobs.

ACHIEVE 14' PUMPING DEPTH and reach over a 14' tall slurry storage wall. The discharge connections sit low to the ground, for easier set-up.

DUAL AGITATION NOZZLES | 3.5" diameter outlets and 180° of rotation.

GET UP TO 3500 GPM with a Bazooka Farmstar 15" submersible pump and 180 CC hydrostat motor upgrade.

CONVENIENCE COMES STANDARD.
