

3-POINT – 6” & 10” HOSE REEL

SAVE TIME, SAVE HOSE.

The 3-Point mounted hose reel was designed to save you time by allowing you to reposition your drag hose for the next field without the hassle of reconnecting a larger hose reel to a tractor to get the job done. It's efficiency at its finest.

- Simple maneuverability
- Convenience factor
- Time saver
- Easy transport

FEATURES

HOLDS 2-4 HOSES AT A TIME

Simplistic and practical, we offer three models of this 3-point hose reel to best accommodate your needs as you move sets. Mount the 3-Point Hose Reel to the front or back of your tractor based on your preference.

TIME SAVER

With the 3-Point Hose Reel, you've got the ability to pick up your drag hoses while changing sets without hooking and unhooking your larger hose reel from your tractor. Added bonus? You can also do this with your supply hoses.
