

# QUICK ATTACH SERIES

## QUICK ATTACH PACKAGE OPTIONS:

- **FULL:** TANK MOUNT FRAME, PLUMBING, & 3 PT. SWING ARM
- **TANK-ONLY:** TANK MOUNT FRAME & PLUMBING
- **DRAG-ONLY:** 3 PT. SWING ARM

Whether you're currently in the biz looking to diversify your offerings or you're looking to get into the thick of it, this is the practical solution you have been waiting for.

- **TWO-IN-ONE SOLUTION** Expand your operation with a single bar. A universal attachment allows a quick transition from a tank to dragline set-up.

- **TRUSTED, HEAVY-DUTY BUILD**  
All bars reflect our durable Ground Tracker Series tank bar design, with coverage widths from 16' -25'.

- **FLUX MANIFOLD INTEGRATION**  
The anti-clog design comes *standard* with all Quick Attach packages.

- **PHANTOM UNIT** spacing from 24" to 30".  
Achieve GPA's of up to 15,000. *Unit dependent.*

DEFINITION OF VERSATILE.
